International Business Specialization (Effective Summer 2007)

The Specialization in International Business should be attractive to students who plan careers with an international orientation and who wish to add an international breadth to their major. The specialization is designed for students who desire to increase their understanding of various regions of the world and prepare for a global marketplace.

The Specialization in International Business is administered by The Eli Broad College of Business and is available as an elective to students who are enrolled in bachelor's degree programs in The Eli Broad College of Business with the exception of Hospitality Business. Students who are interested in the specialization must contact The Eli Broad College of Business.

With the approval of the department that administers the student's degree program, courses that are used to satisfy the requirements for the specialization may also be used to satisfy the requirements for the bachelors' degree with the exception of the Business Core International course requirement. The student's program of study must be approved by the student's academic adviser for the specialization.

To apply to the International Business Specialization visit:
